## Winter <> December 1, 2025 – March 7, 2026

### **NEW** On-line registration platform / [EVENT CONNECT](#)

We used this system during ISI Worlds to purchase practice ice. If you purchased practice ice, you will not need to create a new account. If you didn't purchase ice, you will need to create a new account prior to registering. The new system will allow you to go back into your account to see the actual sessions you purchased, and the confirmation receipt will list the session as well.

There is NOT a "home landing" page with this system where you would go in and find all the Figure Skating registrations in one place. Each event – Contract ice, ISI testing, NSC Figure Skating Academy, Weekly Random ice, etc will all have their

**OWN URL code** to get to the pages to register.

These will be posted on the NSC Figure Skating webpage - [LINK](#) – Under Contacts and Forms

### **WINTER 2025/2026 Figure Skating Registration** / [Event Connect Link](#)

Open Freestyle Contract Ice - registration will open November 6, 2025, 10a, and close on November 24, 2025 at 11:59 p.m.

Registration will re-open on November 25 and there will be a \$15 price increase per contracted session.

Random Ice: All remaining open freestyle spots will be available for purchase as random ice.

There will be no refunds for ice sessions purchased during Winter 2025/2026, unless you need to withdraw from the remainder of the contract due to injury. A doctor's note will be required.
