

The National Sports Center Super Rink Figure Skating

Spring <> March 9 – June 3, 2026

NEW On-line registration platform / [EVENT CONNECT](#)

We used this system during ISI Worlds to purchase practice ice. If you purchased practice ice, you will not need to create a new account. If you didn't purchase ice, you will need to create a new account prior to registering. The new system will allow you to go back into your account to see the actual sessions you purchased, and the confirmation receipt will list the session as well.

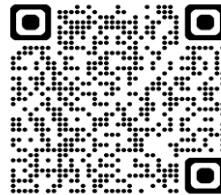

There is NOT a "home landing" page with this system where you would go in and find all the Figure Skating registrations in one place. Each event – Contract ice, ISI testing, NSC Figure Skating Academy, Weekly Random ice, etc will all have their

OWN URL code to get to the pages to register.

These will be posted on the NSC Figure Skating webpage - [LINK](#) – **Under Contacts and Forms**

Switch Sessions – Contracted skaters may switch to a different session ON THE SAME DAY as long as there is an open spot on the session you wish to switch to.

To Switch Sessions:

1. Place an **"S"** next to the contracted skaters name on the session they are NOT going to be skating.
2. Add an **"S"** and then the skaters name to one of the open spots on the session you are switching to.
<> There must be an open spot in order to move to that freestyle session
3. A 45-minute contract freestyle session can be switched to a 45 or 30 minute freestyle session
<> No refund if switching to a 30 minute session from a 45 minute freestyle session)
4. A 30-minute contract freestyle session can ONLY be switched to another 30 minute freestyle session
5. Family members may not switch sessions between family members.

Make up policy for Ice time missed due to direct conflict of testing or competition

Skaters must submit a request via email to Anna Leik and Jane Schaber a minimum of ONE week prior to the date(s) missing. The ice times must be a direct conflict with the times for testing and or competition events. The requested sessions to switch to must be included at the time of the initial email request and take place before the end of that contract period.

Example of request:

Anna Leik will miss the 3:15 PM session on Friday 2/6/26.

Due to a *competition event at 3:45 PM at the Olympics* on Friday 2/6/26

Anna is requesting to skate the 4:30PM session on Wednesday 2/25/24 to make up this session
